

Wednesday 25th September 2019

Dear Parents,

As part of our school- parental support, we would like to invite you to see, hear and experience some of the educational methods used to help your child in various areas of learning. During the upcoming week, we will be providing a range of informative and experiential workshops to enable you to have a broader overview of how we deliver, practice, engage and assess our students, giving you a broader look at our curriculum. We will also provide you with different techniques, links and websites to help you support your child's learning beyond the classroom.

Below, you will find more details about the workshops and what we are planning to cover in each one of them. Kindly choose the workshop you wish to attend and send it back with your child by **Thursday 26th September**. If you wish to attend more than one, please fill them all in below.

Please note that there will be childcare provided for students on site.

Kind Regards,

Maggie Sami

Key Stage 2 Coordinator

Parent's name: _____ **Date:** _____

Child's Name/Class: _____

I would like to attend the workshop for:

1. _____

5. _____

2. _____

6. _____

3. _____

7. _____

4. _____

8. _____

Day	Workshop	Brief Explanation	Leading Teachers	Time
Monday 30th September	Reading	Reading is essential for all of us and I'm sure you will want to encourage your child to read fluently and with understanding. In this workshop, we will be focusing on how phonics can be used to build sounds when learning to read, how to encourage your child to read at home and finally, looking at ways in which students are expected to answer comprehension questions. We will guide to help your child look at inferences and clues and become a reading detective!	Ms. Sian / Mrs. Maggie	2:10 – 2:40
	Islamic (A&B)	Islamic A: Islamic A aims to provide students with essential belief, experience and skills related to Islamic religion. Our workshop aims to introduce the MOE curriculum and how we teach Qur'an, including tips on how parents should follow up with their children at home.	Mrs. Sara Rajeh/ Mrs. Rawan	2:40 – 3:10
		Islamic B: Know all about how we deliver the Islamic culture curriculum which aims to introduce the Islamic world to the students. Get to know some key information about how we introduce the Islamic art, history and civilisation.		
Foundation Stage	Our aim is to give parents a sneak peek into our classroom activities and curriculum. The workshop will provide an opportunity to show parents how can they support and expand active learning at home. The workshop is designed in a way that gives parents hands-on experiences through activities that are fun and easy to do, which teach practical strategies for interacting with children in everyday situations outside the classroom.	Mrs. Hanan/ Mrs. Abeeha	2:40 – 3:10	
Tuesday 1st October	Writing	Writing develops one's intelligence and goes hand-in-hand with reading. Together, they form an integral part of communication in all walks of life. Writing is entertaining and strengthens imagination. Join us to discover ways of developing writing skills from young child to adult.	Mrs. Karen/ Mrs. Sara Munzer	2:10 – 2:40
	Maths	Know all about MNS-D's approach towards teaching a subject which is not usually a favourite with kids or their parents, Maths! Know all about our maths curriculum, using manipulatives in class, how you can support your child at home, no matter which age he/she is and how our staff is endlessly working on making Maths your child's favourite subject.	Mrs. Warda/ Ms. Juanita	2:40 – 3:10
Wednesday 2nd October	LS/ SEN	The purpose of LS workshop is to build partnership between the school and parents by providing practical strategies for parents in order to improve their child's academic achievement.	Dr. Wafa Kadoura	2:10 – 2:40
		The purpose of the SEN workshop is to enhance parents' understanding of their children's special needs and to improve their children's social, behavioral, and academic skills.		
	Arabic (A&B)	Arabic A: Here you can learn about the Arabic language and how we teach your child to speak fluently. You will also see how we teach other skills including grammar, spelling, and handwriting. In addition, we will explain how we use our reading program 'AlQaeedah Albaqdadeiah' which teaches the student how to be an excellent reader.	Mrs. Wejdan/ Mrs. Yosra/ Mrs. Huda/ Mrs. Aisha Al Mubarak	2:10 – 2:40

 Ministry of Education License No. 4382340043 South Doha International School

		Arabic B: Here is your chance to start learning about the official language in Saudi Arabia. It is the class where your child will learn, compare and discover new things. It's easy to begin the journey of learning Arabic, so come and see how we help your child pave his/her way through it.		
	Science	Come and experience an innovating workshop about Science. In this workshop we will explain our teaching methods. We will show you how we bring the world of Science into the classroom and how you could do the same at home. We encourage you to join this workshop so that we can assist our learners to understand the world around us better.	Ms. Daphne/ Mrs. Iman	2:40 – 3:10
Thursday 3rd October	EAL	The purpose of the EAL workshop is to empower parents to have a massive contribution in their children's educational process by using updated and effective strategies at home.	Ms. Sian and LS department	2:10 – 3:10
	Behaviour Management and Social Interactions	In this workshop we will cover the following key points: <ul style="list-style-type: none"> • The A.B.C of behaviour • Preventing disruptive behaviour • Responding to challenging behaviour • Behaviour management strategies • The importance of social interactions 	Mrs. Zainab/ Ms. Kelly
